## 1 Affected products

### Modules:

Product in End-of-Life	Successor product	Remarks
ELIN-W160-00B	No successor	

### Evaluation kits:

Product in End-of-Life	Successor product	Remarks
EVK-W16	No successor	

## 2 Reason for discontinuation

ELIN-W160 complies with the current European regulatory requirements of Radio Equipment Directive (RED). The module complies with the latest EN 301 893 v2.1.1, with the exception of adaptivity. The adaptivity compliance is instead according to EN 301 893 v1.8.1 clause 4.8, which approves adaptivity compliance according to EN 301 893 v1.8.1 until June 12<sup>th</sup>, 2018.

After that date, all products placed on the European market must comply with the adaptivity requirements of EN 301 893 v2.1.1. The ELIN-W160 module does not comply with the adaptivity requirements of EN 301 893 v2.1.1 without software and/or hardware changes, and thus ELIN-W160 will be discontinued.

## 3 Recommendation

A Linux based system-on-module successor product is not available from u-blox.

## 4 Schedule

### Module:

Last Time Buy Date <sup>1</sup> :	January 15 <sup>th</sup> , 2018
Last Ship Date <sup>1</sup> :	June 1 <sup>st</sup> , 2018
