2 Type of Change

- Hardware modification
- Software update
- Documentation update
- Others, certification

3 Description of Change

The products mentioned in section 1 have reached Initial Production (IP) status.

4 Certifications

JODY-W1 modules are certified according to the regulatory requirements in the USA (FCC/CFR 47 part 15 unlicensed modular transmitter approval). The modules comply with the Radio Equipment Directive (RED) regulations by ETSI for Europe.

5 Schedule

This information is effective as of July 10, 2019.

6 Customer Impact and Recommended Action

Customers must review the updated documentation, listed below. It is recommended to scrap any remaining prototypes of the products mentioned above that may be still in use, and replace them with IP status.
