2 Type of Change

- Hardware modification
- Firmware update
- Documentation update
- Others: Product reached Engineering Samples status

3 Description of Change

3.1 Product reached status Engineering Samples

The NINA-B1 series has reached Engineering Samples status. The affected products are listed in section 1.

3.2 Documentation update

The following documents (either new or updated version) are now available:

- Data sheet [1]
- System Integration Manual [2]
- Product Summary [3]
- EVK User Guide [4]
- EVK Quick Start [5]
- AT Commands Manual [6]
- Release notes [7]
- Getting started [8]

3.3 Firmware update

A new firmware (version 1.0.0 Beta 4) has been released. See the release notes for details.

4 Schedule

NINA-B1 series has reached Engineering Samples status on June 10, 2016. First shipment of the modules with Engineering Samples status is estimated on June 24, 2016.

Updated documentation is available now.

New firmware is also available now (on request).

5 Customer Impact and Recommended Action

Please go through the revision history of the updated documents to know the changes.
