## 1 Affected Products

Product Name	Remarks
ODIN-W260	u-connectXpress software version 7.0.0 available
ODIN-W262	u-connectXpress software version 7.0.0 available

## 2 Type of Change

- Hardware modification
- Software update
- Documentation update
- Certification

## 3 Description of Change

The u-connectXpress software version 7.0.0 for ODIN-W2 includes many new features enabling secure connections to cloud services as well as making the module easier to use. The complete description of the new software is provided in the release notes [1].

### 3.1.1 Certification

FAC certification (for Russia) has been obtained for ODIN-W260 and ODIN-W262.

## 4 Schedule

The version 7.0.0 of u-blox connectivity software for ODIN-W2 is available for download from the web [2] only and will not be pre-flashed with specific ODIN-W2 ordering codes. Orderable products with resolutions to some of the known limitations in version 7.0.0 are planned for late second quarter or early third quarter 2019.

## 5 Customer Impact and Recommended Action

It is recommended to review the software updates presented in the release notes [1].
