## 1 Affected Products

Product Name	Software	Remarks
ODIN-W260	v7.0.2	New software available for download
ODIN-W262	v7.0.2	New software available for download

## 2 Type of Change

- Hardware modification
- Software update
- Documentation update
- Others

## 3 Description of Change

The u-connectXpress software version 7.0.2 for ODIN-W2 includes corrections to issues present in the previous versions. The complete description of the new software is provided in the release notes [1].

## 4 Schedule

The version 7.0.2 of u-blox connectivity software for ODIN-W2 is available for download from the web [2] only and will not be pre-flashed with specific ODIN-W2 ordering codes. Orderable products are planned for late Q3 or early Q4 2019.

## 5 Customer Impact and Recommended Action

It is recommended to review the software updates presented in the release notes [1].
