### 1 Affected product versions

Product Name	Successor Product
SARA-R404M-00B	SARA-R410M-02B

### 2 Reason for discontinuation

The affected product version uses a software baseline that is no longer supported by the chipset supplier; as such, the product is no longer supportable by u-blox. The successor product SARA-R410M-02B uses a software baseline that is supported, includes more functionality and is available in Initial Production status.

### 3 Customer impact and recommended action

- The successor product is pin-to-pin compatible with its predecessor.
- This end-of-life product cannot be upgraded with FW intended for the successor product.
- Putting successor products into use requires the associated approvals and certifications.

### 4 Schedule
