1 Affected product versions

Product Name	Successor Product
TOBY-L210-60S	TOBY-L210-62S

2 Reason for discontinuation

- Due to changes in component software, a new version of TOBY-L210 modules is required and has been introduced.
- The new successor product, TOBY-L210-62S, comes with new firmware and offers better performance and more functionality.

3 Customer impact and recommended action

- TOBY-L210-62S is the pin-to-pin compatible successor of TOBY-L210-60S.
- Putting successor product into use does not require any action relevant to approvals and certifications.

 It is not possible to upgrade TOBY-L210-60S modules with FW versions developed for TOBY-L210-62S.

4 Schedule

Last time buy date	Last shipping date
04-Jun-2017	04-Dec-2017

5 Contact

We thank you for your understanding and assure you our very best support. u-blox appreciates and values your continued business relationship and looks forward to your future interest in our outstanding product portfolio. Please contact your nearest u-blox sales team for any questions you may have.
