Newer LEON-G100 versions (LEON-G100-06S, LEON-G100-07S and LEON-G100-08S) are **not being discontinued**, but are subject to product change notification.

## 2 Reason for discontinuation

The power amplifier used in the above listed products has been phased out by the supplier. Furthermore the volumes of such modules have dropped to very low levels as a consequence of the introduction of successor modules based on newer firmware.

## 3 Recommendation

A new LEON-G100 module embedding a new power amplifier has been released. This module is pin to pin compatible with the phased out ones and functionally equivalent. This product is recommended for the replacement of the discontinued products.

Please refer to the LEON-G100 Product change notification (Doc Id. UBX-13005361) for the details.

## 4 Schedule
