## 1 Affected Products

Product in End-of-Life	Recommended Successor Product
LISA-U200-00S	LISA-U200-02S

## 2 Reason for discontinuation

- Changes in component software require introduction of new version of LISA-U200-00S. The development, qualification, and production of a new version of would result in increased unit cost, while the technical features of such a product would no longer fulfill market requirements.
- Introduction of a successor product LISA-U200-02S with new firmware offers better performance and more functionality.

## 3 Recommendation

- LISA-U200-02S is pin-to-pin compatible successor of LISA-U200-00S.
- Software developed for LISA-U200-00S will run also with LISA-U200-02S.
- No other actions required.

## 4 Schedule

Last Time Buy Date:	November 19 <sup>th</sup> 2014
Last Ship Date:	February 19 <sup>th</sup> 2015

## 5 Contact

We thank you for your understanding in this situation and assure you our very best support. u-blox appreciates and values your continued business relationship and looks forward to your future interest in our outstanding product portfolio. Please contact your nearest u-blox sales team for any questions you may have.
